Looking for ways to reduce your personal residential and automobile insurance costs?

Calling for a quote is easy and could save you money on your home, condo, tenants, or automobile insurance.

As a member of the **Alberta Regional Council of Carpenters and Allied Workers (ARCCAW)** you, your spouse, dependent children, and retirees now have access to money-saving group personal insurance.

To see how much you could save through your program, all you have to do is pick up the phone. When you do, licensed representatives at Marsh's Private Client Services can apply many cost-saving discounts and explain the special features and coverages available from your group insurer—Royal & SunAlliance (RSA)—some of which include:

- AIR MILES[®]** reward program miles with your paid premiums;
- Adjuster response within 6 business hours to your new claim report or RSA will pay you \$500;
- NEW** - Instant online quotes available at: www.marsh.ca/arccaw; and
- Multiple payment plans available with **no** service fees.

Property

- \$30,000 in coverage for identity theft expense, legal assistance, and lost wages; and
- In addition to your **ARCCAW** group discount, you could be eligible for additional discounts up to **60 percent**.

Auto

- Lifetime guarantee on automobile claim repairs through a RSA preferred shop;
- **20 percent** multi-line discount if you insure both your residence and automobile with RSA; and
- Accident waiver protects your driving record after the first accident.

(Some restrictions may apply to all the above)

Even if you already did some comparison shopping or recently paid your premium, it is always worth a few minutes to uncover additional savings. You don't even have to wait until your current coverage expires to take advantage of potential savings now. If you find that the **ARCCAW** member group rate and discounts are a better bargain, a representative can sign you up right over the phone.

Think it's a hassle to switch? **Think again.**
